About Company

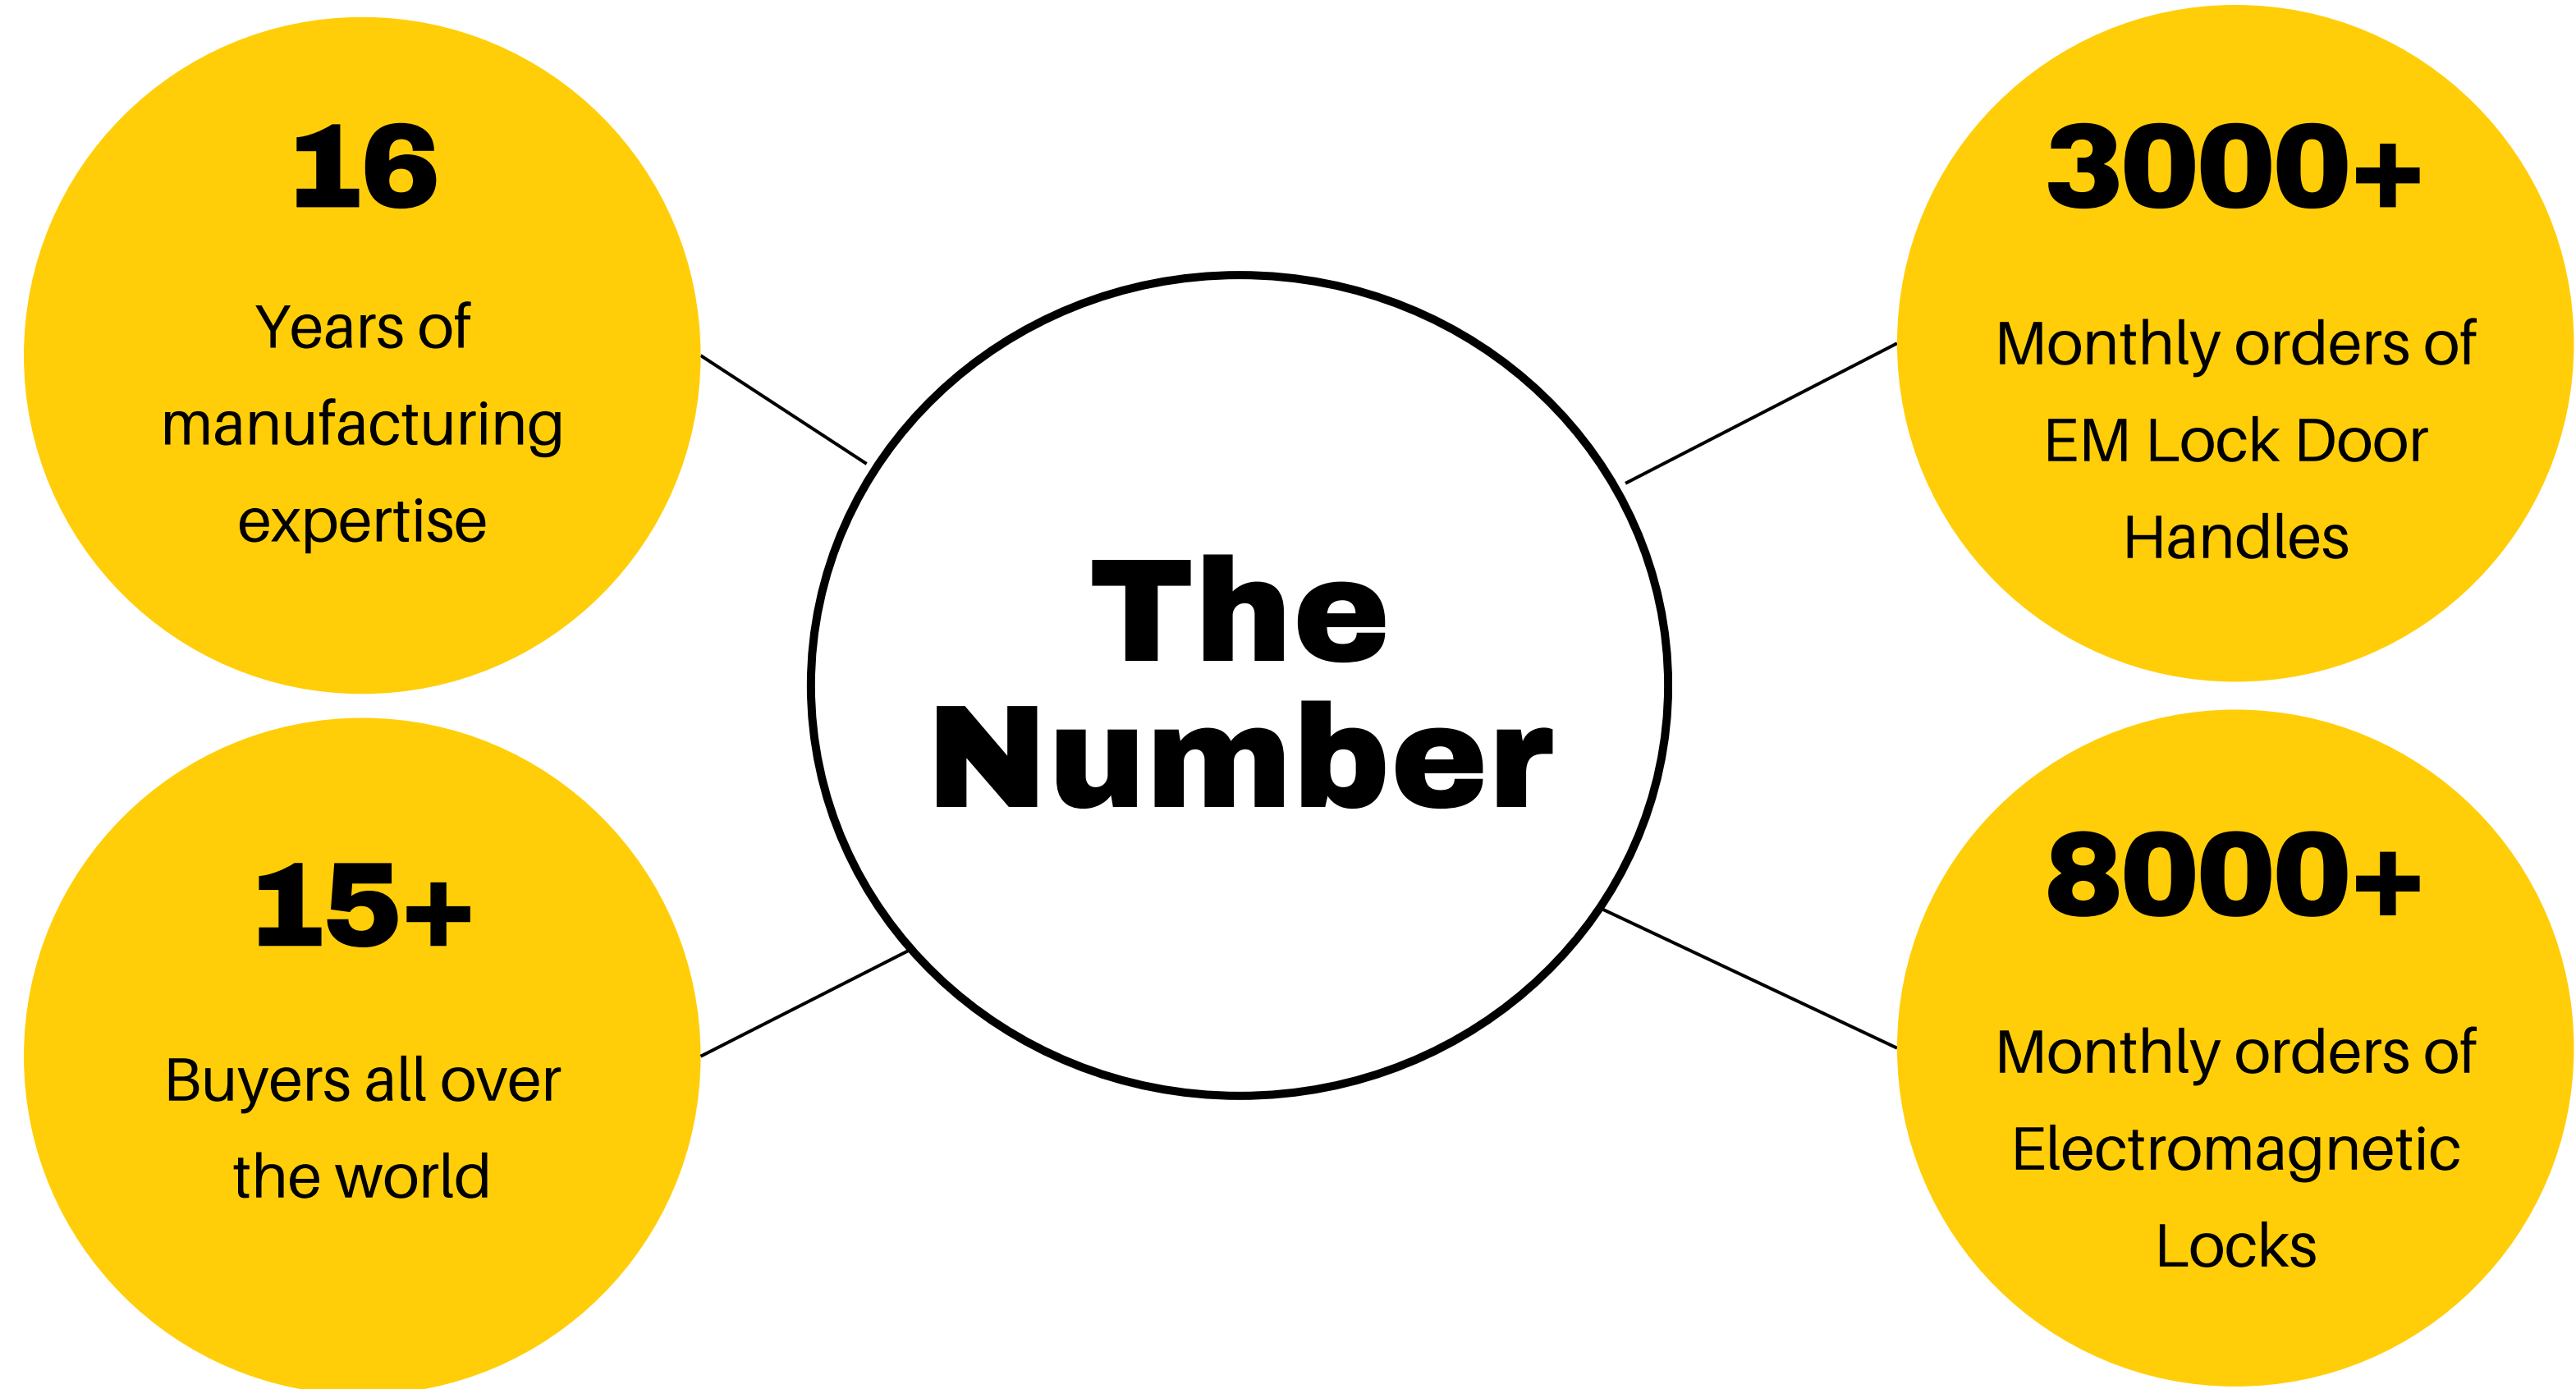

Sewosy Malaysia was set up in 2007 with the main aim of manufacturing magnetic locks and door handles.

With the collaboration and support of Sewosy France who has a major share in Sewosy Malaysia, our business thrives rapidly and soon we have customers all over the world.

We pride in ourselves the consistent quality, competitive prices and the excellent service that we provide in the last 2 decades.

Most of our loyal customers are still with us after so many years and it's been a privilege to continue working with them.
